**BOOSTER CLUB**

*All proceeds from the  
2018 Navy & Gold Gala will help  
support the William Penn University  
Athletic Scholarship Program.*

Funds from previous years have gone towards improvement projects at the Stadium at Lacey Recreation Complex, the purchase of Track & Field equipment, and University transportation needs.

The William Penn Athletic Booster Club works to support the university's 17 NAIA sports, as well as the two non-NAIA programs. In 2013-14, the Booster Club had its highest yearly membership, climbing to nearly 200 members, which helped the organization fund over five projects to assist William Penn's athletic programs.

Now in its sixth year, the 2018 Navy & Gold gala theme is "Trivia Night". The evening will include an interactive trivia contest, appetizers, cash bar, and night of friendly competition for friends of William Penn University.

Fill your table with up to eight friends and family members. If you don't have eight people to fill the table, we can seat others at your table and you'll make some new friends.

Engage in friendly competition while your table is quizzed on categories ranging from entertainment, history, geography, sports, Penn, and more. Prizes will be awarded to the top three winning teams. Breaks will be scheduled between trivia rounds for guests to bid on silent auction items. Raffle prizes will also be announced.
