***Additional penalties can be assessed by Intramural Council for misconduct

WILLIAM PENN INTRAMURALS QUAKER CUP

The Intramurals program has created a cumulative point system that rewards the team with the highest Cup Point total the "Quaker Cup" trophy at the conclusion of each academic year.

REGISTRATION

There will be a registration period. However, registration can be completed at any time throughout the academic year.

Teams are encouraged to register using the IMLeagues website in the Campus Cup tab. Paper registration will be accepted. All members of the teams must have an active IMLeagues account. Visit www.imLeagues.com/WilliamPenn to register.

The team name affiliation for each team must remain the same for each sport, event, or activity to count towards the Campus Cup standings.

Example: If your team name is LOBOS, you must register all teams under the name LOBOS. Individual or dual teams may be registered as "LOBOS- Gary McGillicuddy" or similar variations to create distinction between teams. Cup Points will only be tabulated for teams with the squad name attached.

ROSTER SIZE

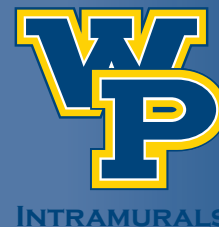

The Squad Roster is limited to a maximum of 10 total members. Teams affiliated with your team may only be made up of members listed on the Team Roster. Members may be added to or dropped from the Team Roster at any time throughout the academic year. Additional members above 10 (including any substitutes for a single contest) will result in a five Cup Point deduction per member per violation.

QUALIFYING TEAMS

Only one Squad team will be eligible to score in each sport, event, or activity. In the case of doubles or smaller team sized events, a Squad may register and participate with multiple teams. The team from the Squad that finishes highest in the standings will be the only scoring team for that Squad.

QUAKER CUP

The "Quaker Cup" trophy will be presented on April 26, 2019 at Pennstock to the Squad Roster with the most Cup Points. All Squad Roster members will receive a "Quaker Cup" championship shirt and have their Squad Roster name engraved on the "Quaker Cup." The "Quaker Cup" will be displayed year-round.

Register your team and
compete for the coveted
QUAKER CUP!
