

WPU ATHLETICS APPAREL STORE

Funding for Concrete Pour:
The Booster Club helped defray the cost of a new concrete slab in the women's softball dugout.

William Penn Athletics Department launched an online apparel store where Booster Club Members receive discounts on William Penn Athletic gear.

Visit www.statesmenathletics.com and click the WPU Athletics link on the right-hand side of the page. Each team will have a "team page" that launches before the start of their season and post-season championships.

BOOSTER CLUB**

Specto:

The Booster Club helped fund the WPU Bowling team's purchase of the Specto, a ball tracking system. This is State-of-the-Art technology that is used in all levels of bowling, including the professional bowlers' tour telecasts.

JOIN THE STATESMEN NATION!

By joining the William Penn Athletic Booster Club, you will become a part of an exclusive support group that enjoys the opportunity to vote for players of the month and the John Eberline Player of the Year Award. Members also receive the "Booster Bits", a monthly newsletter with inside information on WPU Athletics. Boosters also have access to athletic luncheons and special deals on concessions and apparel all year long.

Proceeds from memberships help meet the needs of our athletic programs. All membership funds are used to purchase equipment and supplies that enhance the university's 20+ NAIA sports, as well as cheerleading and dance teams. In recent years, the Boosters helped purchase passenger vans, weight room equipment, washers and dryers, and championship banners for the gym and much more. In addition, the Booster Club has provided funds to redo the Penn Gymnasium court and upgrade the locker rooms.

For back to back years, the Athletic Booster Club set a membership record with over 200 Booster Club members. Join this year as the organization pushes toward a 250 member goal!

Booster Club members will receive a T-shirt from assorted styles based on size and availability.
