CEREMONY PARTICIPATION: WPU has one Commencement Ceremony each year in May. Check the box below regarding your plans to participate in the graduation ceremony. If you change your mind, please contact the Registrar's Office immediately. If you hope to walk in the ceremony BEFORE you have finished all of your degree requirements, you will need to apply to Walk Early. If you are completing your degree requirements in the summer following commencement, you do not have to request permission to walk early.

Indicate if you (student) need ramp access to the stage due to difficulty climbing stairs.

GRADUATION FEE: A \$100 fee is assessed to all graduating students' accounts. This fee is not affected by ceremony attendance.

COURSEWORK TO BE COMPLETED: With your faculty advisor, please list all coursework that still needs to be completed after the current semester.

If you plan to take coursework at another school, please list when and where these courses will be taken. Please complete a Pre-approval form for these courses and get approved by the Registrar. In some cases, a Waiver of Residency form may also be required.

Official transcripts from other schools, must be received for transfer credit consideration. The deadline for WPU to receive these transcripts is generally 3 days before the end of your last semester.

Undergraduate Graduation requirements include completing all coursework for your declared major(s), minor(s), and the Penn Core. A minimum GPA of 2.0 is required in your major(s), minor(s), and overall GPA must also be 2.0 or higher, a minimum of 124 degree applicable credit hours is also a degree requirement. No more than 6 PE activity/team credits can be counted towards graduation hours. Courses numbered below 100 (or other remedial coursework) are not applicable for graduation credit. Education and Nursing majors have other specific requirements and should refer to the Education division for additional information.

Masters Graduation requirements include completing all coursework for the declared major, a 3.00 GPA, and 30-36 credits earned, depending on program.

TO APPLY FOR IOWA EDUCATIONAL LICENSURE: Secure application form from the Education Office. Complete applicant's portion of this form and return it to the Ed. Office. This will be submitted by the Ed. Office *after* all requirements for this certificate are met.

If you are unable to complete the graduation requirements as outlined, the INTENT form will automatically 'roll-over' to the next semester, *if you continue enrollment the next semester, or have made other previous arrangements*. If you do not continue enrollment, you will need to reapply for graduation privileges.

An email is sent out from the Dean's office, in February, for all potential graduates with graduation commencement information. Check your WPU student email for this informational email!

Thank you and Congratulations!
